

PLUMBING SERVICE AGREEMENT

SENTRY, Inc. ("Sentry" hereinafter") and _____, ("Homeowner" hereinafter)

agree as follows:

- 1) Homeowner shall pay the sum of \$_____ to Sentry upon the execution of this agreement.
- 2) In consideration for the payment made by Homeowner, Sentry will, during the term of this agreement:
 - a) Visually inspect the plumbing systems within the premises located at _____, Alabama, on or before _____, 20____.
 - b) Provide an Plumbing System Inspection Report to Homeowner which notes any potential problems with the plumbing system, along with recommended repairs to correct same.
 - c) Schedule a convenient time to make repairs agreed to by Homeowner, and provide a ten per cent (10%) discount on all work performed by Sentry.
 - d) Inventory the plumbing in the premises, such that if Homeowner contacts Sentry for repairs, the parts needed for the job will be on the truck. In the event the repairs are to be made to an inventoried item, and Sentry does not have the necessary parts on the truck, Homeowner will not be charged for the time involved in Sentry obtaining same.
- 3) It is understood and agreed that by performing an inspection Sentry cannot guarantee that Homeowner will not have plumbing problems. Further, Sentry cannot and will not be liable for any plumbing problems which may exist as of the date of inspection which are in any portion of the plumbing system not reasonably subject for visual inspection at the time the inspection is made.
- 4) This agreement shall have a term of one (1) year from the date it is signed, is renewable annually and is transferrable. During this one (1) year period, Homeowner shall also be entitled to priority scheduling by Sentry in the event a plumbing emergency arises, such as broken water pipes, and shall be entitled to a special 24 hour telephone number (979-9864) for use in reporting emergencies and requesting service.

IN WITNESS WHEREOF, this agreement was signed this _____ day of _____, 20____.
